### Innovation 2045!

We have completed most of the first draft of the Innovation 2045 Metropolitan Transportation Plan. The chapters are available on our website as soon as they are done with initial edits. We are also doing companion videos for each chapter. We have 3 chapters done with companion videos and more coming every day. There are also story maps to go with each chapter that will be available on the website soon!

### Virtual Meetings

The MPO is virtual! We have done several meetings virtually and have more in the future. Our upcoming PAC, TAC and Council meetings will be virtual. If you would like to attend, please contact Helen Wiles at [helen.wiles@doverkentmpo.org](mailto:helen.wiles@doverkentmpo.org)
